Brett J. Walker  
Acting Chief of Police

Kevin M. Gelineau  
Acting Deputy Chief of Police

## Community Service Announcement

### Alzheimer's and Individuals with Special Needs Assistance Initiative

As part of our mission to protect life and to assist the public-at-large in a manner consistent with the rights and dignity of all persons, the Seabrook Police Department offers a program for individuals with Alzheimer's and Special Needs to rapidly respond in the event that an individual wanders off, becomes lost or has a medical emergency.

If you are the caregiver for someone living in Seabrook who has been diagnosed with Alzheimer's, or an elderly person who tends to wander or get lost, or an individual with special needs, please fill out the attached information sheet and return to the Seabrook Police Department via mail, email [dbuccheri@seabrookpd.com](mailto:dbuccheri@seabrookpd.com) or [jreinhold@seabrookpd.com](mailto:jreinhold@seabrookpd.com) or in person at 7 Liberty Ln.

This simple, one page form includes information that will help us identify the person, such as height, weight, hair and eye color, as well as provide names of emergency contact people and medical information such as preferred hospital, primary care physician, allergies and medications. It is necessary to have a photograph of the person.

All of the information you provide will be entered into our computer system along with the photograph. The individual will be provided with a safety ID card if one is requested.

If the individual becomes lost, call the Seabrook Police Department at 474-5200 immediately and advise that the individual is a participant in the Program. An Officer will be dispatched to locate the missing person.

Questions regarding the program can be directed to Sgt. David Buccheri at 474-5200.
